YOUR AI MODEL KEEPS CHANGING FACE?

TAKES. ONE MAN.

TAKE 2 / 8 · THE STREET

Same face. Same fit. Same lens.

CONTINUITY

TAKE 3 / 8 · THE CLOSE-UP

HUMAN.

Pores, stubble, droplets.
Keep every one of them.

ONE

One lens. One tint. One temple.
Locked before take two.

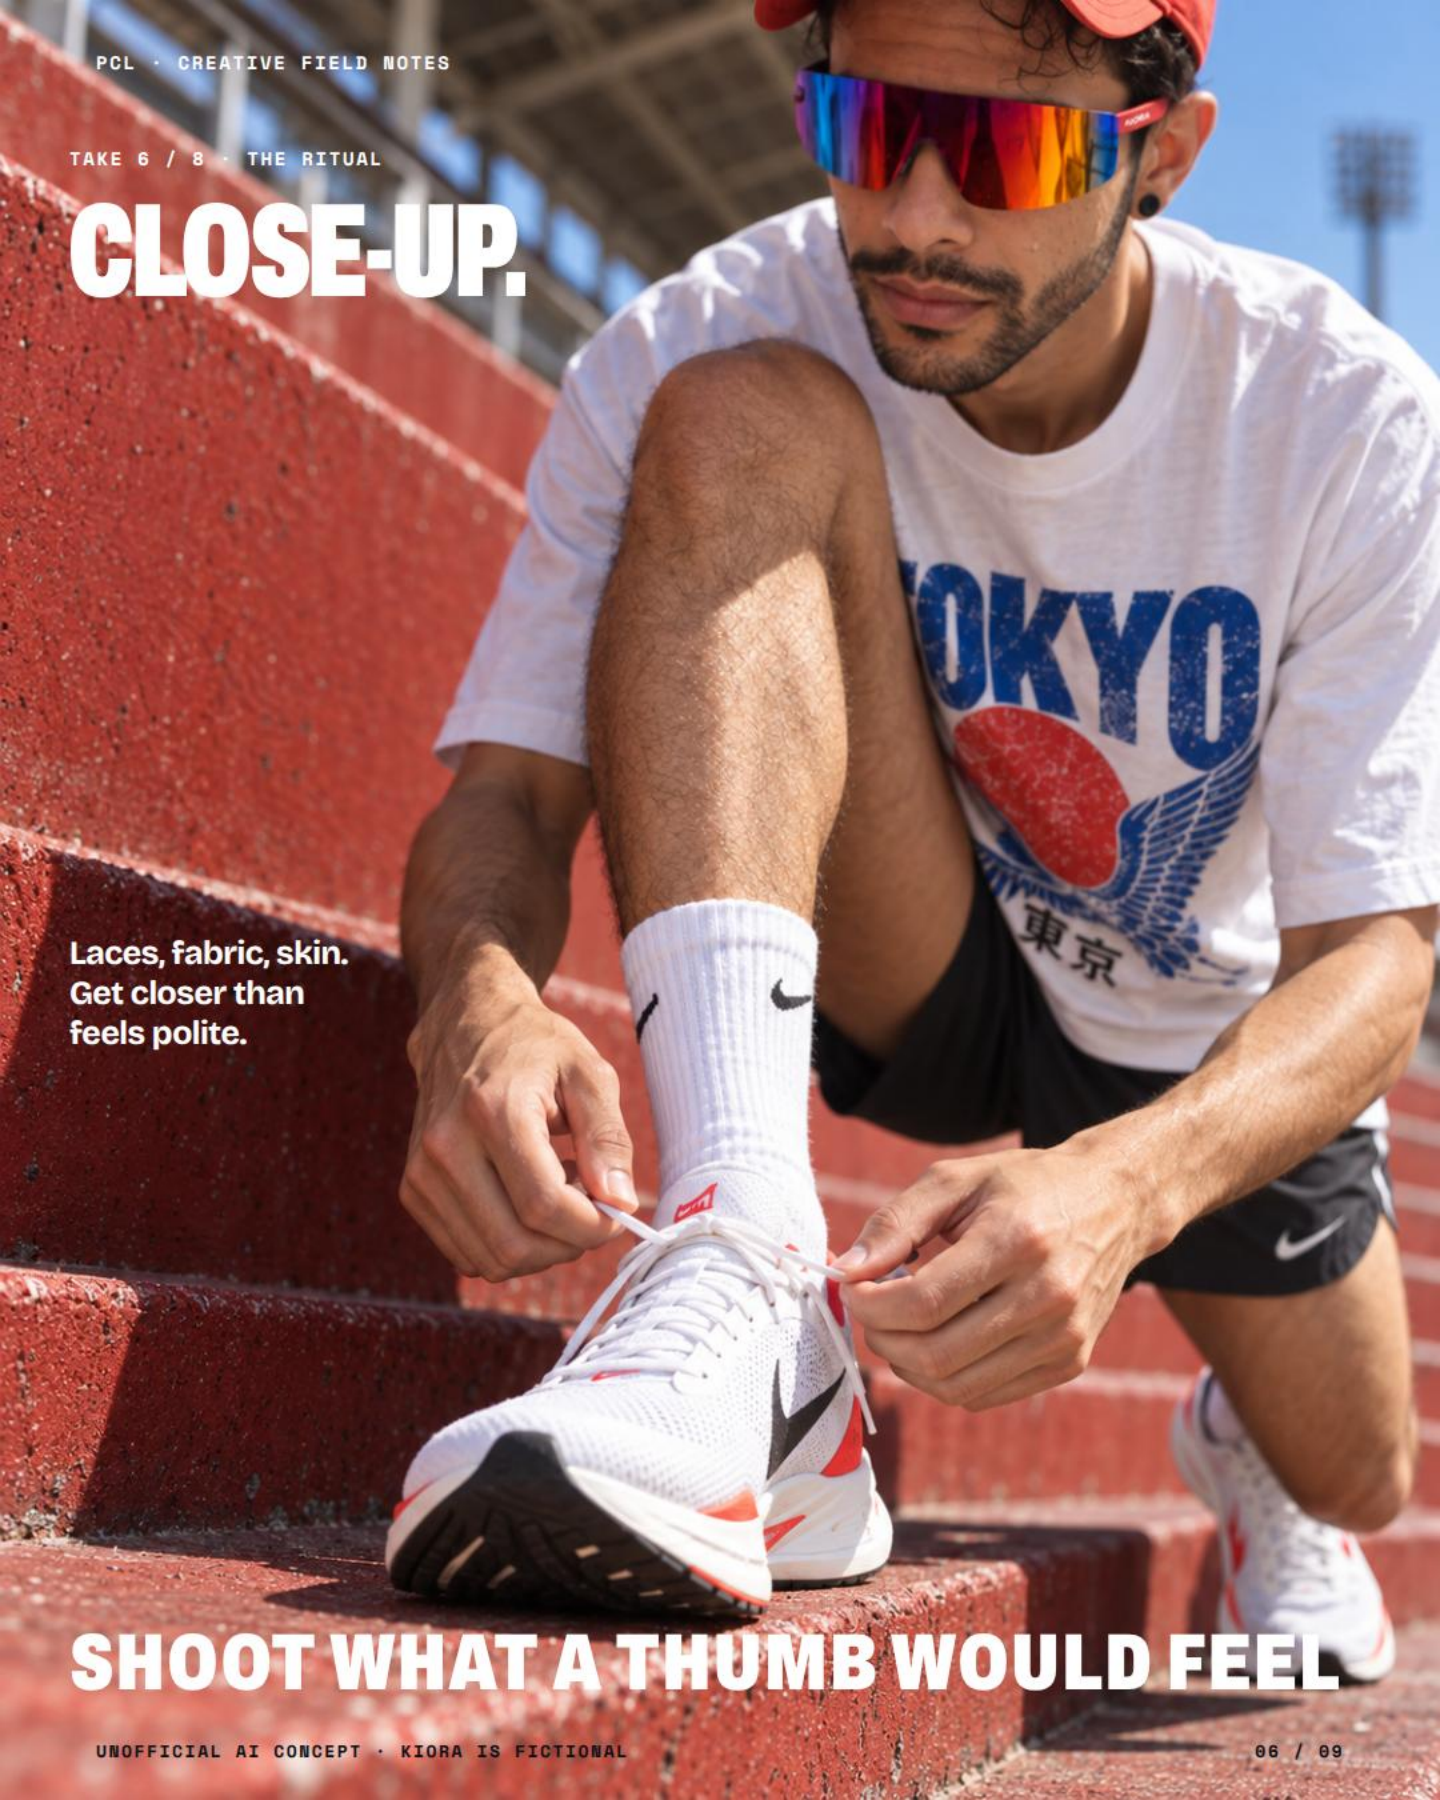

TAKE 5 / 8 · AFTER

THREE HOURS *later.*

Same face, same fit, same lens, same cap. The run ended three hours ago and the cast did not change with the scene. That is the difference between eight nice pictures and one campaign: the person holds, the world moves around him.

TAKE 6 / 8 · THE RITUAL

CLOSE-UP.

Laces, fabric, skin.
Get closer than
feels polite.

SHOOT WHAT A THUMB WOULD FEEL

TAKE 7 / 8 · THE STRIDE

FREEZE THE STRIDE.

YOUR WAY.

CONTINUITY IS THE WHOLE JOB.
