ONE COLOUR PER FRAME · EIGHT RULES

UNOFFICIAL AI CONCEPT · EVERY PHOTOGRAPH IS GENERATED

02 — YELLOW

Forbid the accent. Say what must not appear.

YELLOW

COBALT

03 — COBALT

Light it flat. Let one shadow do the drawing.

GREEN

04 — GREEN

Match the wardrobe to the set. Let light make the variation.

ORANGE

05 — ORANGE

Let the sky join in. A monochrome world needs its sky.

PINK

06 — PINK

Keep one texture family.

BLACK

07 — BLACK

Light one thing. Black is a highlight problem.

Eight colours.
Eight rules.

01 — RED

Name the material, not the colour.

02 — YELLOW

Forbid the accent.

03 — COBALT

Light it flat.

04 — GREEN

Match the wardrobe.

05 — ORANGE

Let the sky join in.

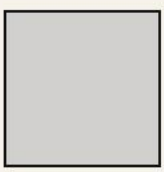

06 — PINK

Keep one texture family.

07 — BLACK

Light one thing.

08 — WHITE

Use the shadow.

Colour is a brief, not a filter.

WHITE

The 8 exact prompts + the eight rules.

08 — WHITE

Use the shadow. White only exists where a shadow says so.
