

SNOW

SNOW · THE BALLROOM · 07:10

YOUR AI IMAGES ALL LOOK LIKE STOCK PHOTOS?

Put the weather in the wrong room.

EIGHT WEATHERS · EIGHT ROOMS · EIGHT PROMPTS

UNOFFICIAL AI CONCEPT · EVERY PHOTOGRAPH IS GENERATED

RAIN

RAIN · THE LAUNDROMAT · 02:40

Rain is invisible until it is backlit. Put the light behind it.

UNOFFICIAL AI CONCEPT · EVERY PHOTOGRAPH IS GENERATED

FOG · THE PICTURE HOUSE · 22:40

Fog is what light looks like. Give the beam something to hit.

WIND · THE READING ROOM · −16:50

Wind is what it moves. Name the pages, the coat, the hat.

LIGHTNING

LIGHTNING · THE NAVE · 23:20

One flash, one side, hard shadows. Nothing else lit.

UNOFFICIAL AI CONCEPT · EVERY PHOTOGRAPH IS GENERATED

RAINBOW · LEVEL TWO · 18:05

Sun behind the camera, water in the air, a wet floor to double it.

CLOUD

CLOUD · THE BEDROOM · 08:30

One cloud, low, touching nothing. Give it a shadow.

Eight weathers. Eight wrong rooms.

Snow	BALLROOM	Let it settle. Leave footprints.
Rain	LAUNDROMAT	Backlight it or it's invisible.
Fog	THE POOL HALL	Let the far end disappear.
Wind	READING ROOM	Name what it moves.
Lightning	THE NAVE	One flash, one side.
Rainbow	LEVEL TWO	Sun behind you, wet floor.
Cloud	BEDROOM	One cloud. Give it a shadow.
Frost	KITCHEN	Crystals on every edge.

Weather is a brief, not a filter.

FROST
FROST · THE KITCHEN · 05:50
Frost is a texture. Crystals on every edge, sharp up close.
